will be closed into account 495 Accountability to Headquarters only annually. It has now been decided that such cost accounts shall be closed into account 495 monthly.

2. The entry closing such accounts should be reflected on the Schedule of Transfers which accompanies the monthly trial balance to headquarters. The Schedule of Transfers should be supported by Form No. 33-9 Notification of Transfer of Funds or Accounts on which shall be reflected the balance of each of the above named cost accounts before they are closed into account 495.

44. It has also been decided that the Schedule of Expenditures by Sub-Object Classifications shall be submitted monthly rather than annually as provided in the Handbook. This Schedule should be presented in accordance with the attached format rather than in accordance with the format of Attachment 21 of the Handbook. Illustrative entries 44(c) and 45(b) relating to the transfer of expenditures to headquarters shall continue to be made only annually.
